

GENERAL JUNIOR LIVESTOCK RULES

OBJECTIVES FOR JUNIOR LIVESTOCK SHOW EXHIBITORS

1. Read and understand the rules and regulations found in the Entry Guide including the Residue Avoidance/Quality Assurance Program.
2. Acknowledgement of your responsibility to provide a safe, wholesome product for consumer, as they should expect.
3. Understand how to follow labels carefully for every feed additive, drug, or chemical used for treatment of your project animal.
4. Develop a close working relationship with the attending Fair Veterinarian, project leader and/or farm advisors especially when needing advice about your project.
5. Foster your project with continuous care, grooming, and feeding. Prepare your project for the Junior Livestock Show with humane practices.
6. Participation should demonstrate your ability, knowledge and skill as a feeder and fitter of your show animal.
7. Develop a sound moral character in yourself. Your animal project is to be an example of how to accept what life has to offer, good and bad, and how to live with the outcome.
8. Develop integrity/moral values, responsibilities, positive work ethics and financial knowledge to carry with you throughout your personal and professional life.
9. Aspire Junior Livestock Exhibitors to continue their education within the Agricultural Industry, Veterinary Medicine Studies and Food Animal Industries.
